

DPW Report – August 3, 2026

General

- We paved Scribner Avenue, Sheldon Avenue, and Sheldon Avenue Alleyway.
- We have been mowing and weedwhacking Village Parks & Cemetery; we had several burials.
- We are going to shoulder roads with millings over this next month.
- We patched a sidewalk on Upper Grove Street from a water line break.
- We filled potholes on Chestnut Avenue and Clauverwie Road.
- The sonotubes for the basketball hoops were poured in Badgley Park and should be set this week.

Water

- We repaired a major water line break on Main Street.
- We read water meters for the August Water & Sewer Billing Cycle.

Sewer

- I attended an RCAP Solutions training for netDMR.
- A-Team came out to fix one pump and will give us a quote for another one.
- We ordered a new eyewash station for the Sewer Plant per DEC recommendation.
- Delaware Engineering is continuing to work on their Sewer Line Extension & I&I Survey.
