DPW Report – October 5, 2026

General

- MIDTEL hung up the mums, and we have been watering them since.
- We have continued to remove trees in Section 11 of the Upper Cemetery.
- We repainted the parking lot lines in the Dexter Avenue Parking Lot.
- We closed the Community Pool.
- We removed the bushes over at Badgley Park and cleaned up after paving.
- We helped with event preparation for MABA's Summer Send-Off & we will be assisting with this weekend's festivities in the Village
- Things are finally starting to slow down in Parks & Cemetery for lawncare.

Water

- We repaired a service line break on Main Street this past weekend.
- We are going to read water meters in the coming weeks.

Sewer

- We have continued to receive pump station call outs on Danforth Avenue.
